

Financial Stability Alliance: 2023 Impact

Who We Are: The Financial Stability Alliance (FSA) is a cohesive network of organizations working to improve the financial stability of residents in south-central Indiana.

What We Do: Advocate for policies and changes that will improve people's financial lives; strengthen our member's services through development opportunities and sharing best practices; and measure collective results, including the status of financial stability in the region.

Strategies & Annual Results

Workforce Training & Education
